### RESOLUTION NO. 17-41

WHEREAS, on 18 July 2017, the Bids and Awards Committee (BAC) received a referral from Mr. Renar M. Gonzales, the Department Manager of the Technical Support Department (TSD), requesting for the endorsement by the BAC to the President the renewal of a dedicated line of internet service subscription for the Office of the Chairman of the Board with Eastern Telecommunications Philippines, Inc. (Eastern Telecoms) for the period from 03 August 2017 to 02 August 2018, and for a total cost of Php 300,000.00;

WHEREAS, the request is premised on the following information:

1. The internet service was installed in Y2016 dedicated to the Office of the Chairman of the Board;
2. No major internet downtime is attributable to the services of the existing service internet provider, and Eastern Telecoms have been performing very satisfactorily in accordance with the service agreement;
3. Eastern Telecoms, has doubled the internet bandwidth from 4mbps to 8mbps, without increasing the annual cost;
4. In view of the expiration of the first extension of contract for internet service subscription with Eastern Telecoms on September 2, 2017, TSD, as part of the evaluation process, conducted a canvass of the current market prices of internet services from other internet service providers (ISP), including quotation from Eastern Telecoms, as follows:

Internet Service Provider (ISP)	Bandwidth	One Year Cost (One-time charges/OTC and Vat inclusive)	Monthly cost (VAT inclusive)
1. Eastern Telecoms (current provider)	8mbps	Php 300,000.00 *waived one-time charges (OTC) and VAT	Php25,000.00
2. PLDT	8 mbps	Php 365,120.00	Php25,760.00
3. Innove Communications. (Globe Telecoms)	8 mbps	Php1,151,167.36	Php93,597.28

5. Based on the above data, the quotation of Eastern Telecoms for internet service still appears to be most advantageous to PDIC for the following reasons:

- Eastern Telecoms quoted the lowest cost among the other qualified ISPs which submitted quotations; and
- The performance of Eastern Telecoms for the previous year is very satisfactory.

WHEREAS, based on the aforesaid facts and circumstances, the request for the renewal of the internet service subscription with Eastern Telecoms is compliant with the requirements under the Guidelines on Procurement of Water, Electricity, Telecommunications and Internet Service Providers, Appendix 21 of the 2016 IRR of RA 9184;

NOW, THEREFORE, WE, the Members of the Bids and Awards Committee, hereby RESOLVE, as it is hereby RESOLVED; to recommend the renewal of the dedicated line of internet service subscription for the Office of the Chairman of the Board with Eastern Telecommunications Philippines, Inc. for the period from 03 September 2017 to 02 September 2018, and for a total contract cost of Php300,000.00.
