For participants bidding on behalf of another individual or an organization, a Pro-forma Special Power of Attorney and Secretary's Certificate, respectively, is required which may be downloaded from the e-bidding portal.

As the statutory receiver, the PDIC sells closed bank-owned assets through public bidding and negotiated sales. Proceeds from the liquidation of closed banks' properties are added to the pool of liquid assets of these banks for distribution to uninsured depositors and other creditors based on legal priority. The disposal of these assets increases the chances of

recovery of uninsured depositors and creditors of their trapped funds in the closed banks. Meanwhile, proceeds from the sale of corporate assets are added to the Deposit Insurance Fund, PDIC's main fund source for payment of valid deposit insurance claims.
