# PUBLIC ADVISORY

## 29 May 2020

---

The Philippine Deposit Insurance Corporation (PDIC) resumes operations in its office premises, including the Public Assistance Center (PAC), starting **1 June 2020**, following the lifting of the modified enhanced community quarantine (MECQ) in the National Capital Region.

The PDIC assures that the health and safety of its employees and clients are of primary importance. Health protocols in accordance with the guidelines set by the Government will be strictly implemented. All employees and clients are required to wear face masks, and undergo thermal scanning and foot bath upon entry, and observe physical distancing at all times while inside office premises.

Clients are encouraged to transact with PDIC via e-mail, Facebook or phone. Those who would like to visit the PAC are advised to set a confirmed appointment by sending a request to PDIC through email, Facebook, or call using the phone numbers provided below.
