These lots, with an aggregate minimum disposal price of ₱61.8 million, are located in Bona Ville Subdivision, Brgy. Pahinga Norte, Candelaria, Quezon.

Previously owned by the closed New Rural Bank of Tagkawayan, Inc., property sizes are between 78 square meters and 374 square meters with minimum disposal prices ranging from ₱183,300 to ₱1.2 million.

Interested buyers may send their bids online through PDIC's e-bidding portal at <https://assetsforsale.pdic.gov.ph> starting at 9:00 am on August 25, 2022, until 8:00 am on August 26, 2022. Bids will be opened at 9:00 am on August 26, 2022.

A one-time registration is required from interested buyers, which may be completed via the e-bidding portal at <http://assetsforsale.pdic.gov.ph/Account/Register>. Bidders may observe the e-bidding proceedings on the same portal that can be accessed by clicking the “Assets for Sale” icon on the PDIC website's homepage at www.pdic.gov.ph.

The complete list and description of the properties, requirements, e-bidding process, and Conditions of Bid are posted on the same portal. Bidders are reminded of their responsibility to determine the actual condition, status, ownership, and other circumstances of the properties they wish to acquire.

For participants who are submitting bids on behalf of another individual or an organization, the standard format of the Special Power of Attorney and Secretary's Certificate, respectively, can likewise be downloaded from the e-bidding portal.

For more information on the e-bidding, interested buyers may call the PDIC Public Assistance Department at (02) 8841-4141 during office hours. Those outside Metro Manila may call the PDIC toll-free hotline at 1-800-1-888- PDIC or 1-800-1-888-7342, also during office hours. Inquiries may also be sent via e-mail at pad@pdic.gov.ph or private message on PDIC's Assets for Sale Facebook page (@PDICAssetsforSale) or PDIC's official Facebook page (@OfficialPDIC).

As the mandated liquidator, the PDIC sells closed bank-owned assets through public biddings and negotiated sales. Proceeds from the liquidation of closed banks' properties are added to the pool of liquid assets of these banks for distribution to uninsured depositors and other creditors subject to the rules on concurrence and preference of credits. The disposal of these assets increases the chances of recovery of uninsured depositors and creditors of their trapped funds in the closed banks.
